Terms & Conditions for AMHSI 2025 Group Flight Bookings

You are about to register for a group flight with the AMHSI 2025 Explore Program.

Per AMHSI, participants must register with Traveland to reserve a seat on the group flights.

Space in the group block is limited and allocated on a 'first-come, first-serve' basis.

Students will be met at the airport with a Traveland representative and flights will be escorted by an AMHSI chaperone.

Make sure to register under the student's name *but* use the parent/guardian email address when registering for future communication and final billings.

The Registration and Booking Process:

- A deposit of \$250 is required and is nonrefundable.
- **Final Payment:** The system will prompt you to pay the balance on or before 70 days prior to departure. Please be on the lookout (and check your spam) for the final payment invoice. If you believe you did not receive it, please contact our AMHSI Flights Registration Team at Traveland: ErinG@traveland.net
- **Connecting flight:** Should a connection be needed to get to the AMHSI international flight gateway, please reach out to AMHSI@Traveland.net. Additional airfare may apply and will be calculated at time of reservation as well as a Traveland fee of \$100. These tickets are separate from the group ticket and are non-refundable.
- **Seating:** El Al has assigned a seating block for the entire group. The students will be assigned a seat within the block. Sadly, we cannot honor a specific seat request.
- **Special meal requests:** All meals on El Al flights are Kosher. Should the student require a special meal, due to any dietary restrictions (such as vegetarian, gluten-free) please note your meal request during the registration process.
- **Extra bags:** Extra bags can be purchased on EL AL's website once your group ticket has been issued. Extra bags can also be purchased at the airport.
- **Cancellation Policy:** Once the final payment is received, your ticket will be issued. Please note that the ticket is non-refundable, and no changes or deviations will be permitted after issuance.

Please contact our AMHSI Travel Support Team for further information and special requests:
