Afterwards we board a sailing boat on the Sea of Galilee where we'll enjoy hearing the words of the Scriptures come to life as our eyes behold what our ears hear and our hearts have always believed! Docking in Capernaum we will visit the ancient synagogue and Peter's home. There is no doubt that the foundation stones of this ancient synagogue were in full use at the time of Jesus. Afterwards we head to the Mount of the Beatitudes which overlooks the beautiful Sea. Walking to the bottom of the hill we view St. Peter's Primacy. Finally, the day ends at the Yardenit Baptismal site with a baptismal service, a time of singing and prayer in the Jordan River. Nearby we will visit Tel Dan where the Israelites began to worship pagan gods and fell into great sin. Traveling back to Galilee we can see the Sea from the Decapolis; traveling southward to Beit-She'an/Scythopolis which is one of the most incredible archeological sites in Israel. This is the city where the Philistines hanged the bodies of Saul and his sons who were killed on Mt Gilboa (I Samuel 31:10-12). When Jesus walked here it was named Scythopolis, one of the chief cities of the Decapolis. As we travel south, we will follow the Jordan Valley as we see for ourselves the incredible agricultural restoration of the land of milk and honey. The day starts with a panoramic view of the Temple Mount, Mount Moriah, Dome of the Rock as we stand on top of the Mount of Olives, then a short walk down the mountain to the Garden of Gethsemane (Church of All Nations). This is probably one of the more memorable and emotional times as we remember that night when Jesus prayed, 'let this cup pass from me', and began the suffering which led to our redemption. Walking among these ancient olive trees, reading the scriptures, we take time for personal devotion and reflection in the presence of our great God.

Entering the Old City through Stephen's Gate we will visit the Pool of Bethesda and St. Ann's Church; Antonio's Fortress and the pit where Christ may have suffered. Walking the Via Dolorosa, we're reminded of the price Jesus paid for all of us. We then arrive at the Wailing Wall and the Kotel Tunnels reflecting the Second Temple era. Tonight, we will have dinner in our Jerusalem hotel and reminisce once again of the sites, sounds and scenes of the past days. We're walking where Jesus walked!

Day 9 - Wednesday, March 1: City of David, Pentecost, Garden Tomb

Today is our final day in the land of the Bible. After a sumptuous Israeli breakfast, we visit the house of Caiaphas where Jesus was whipped, spat upon and let down into the pit. This is always a time of repentance, singing, worship and praise as we remember the price paid for our spiritual freedom. Next, we enter the City of David as our guide recounts the early city of Jerusalem when King David ruled; viewing the pool of Siloam and even travel through Hezekiah's Tunnel, weather permitting. We visit the Southern Wall of the Temple Mount excavations which was for the common people, the Priests and Levites entered on the higher eastern side of the mount. Parts of the stairs leading to the Temple Mount as well as some of the purification pools can be viewed. This is the general area where Jesus would have driven out the money changers. The south eastern pinnacle is said to be where Jesus was tempted to throw Himself down when tempted by the Enemy. The ending of the day is the Garden Tomb where we'll enjoy a visit to Calvary, the garden and the empty tomb. We will gather around for communion in the garden, a challenge from God's word and a time of singing before returning to the hotel for dinner and a time to freshen up before traveling to the airport for our midnight flight arriving home on March 2, 2023.
